- 23 Old Fort Erie

Transportation

- 15 Falls Incline Railway (Funicular)
- 21 Rapidsview Parking & Bus Terminal

TOGETHER, WE CAN PRESERVE AND PROTECT NIAGARA'S UNIQUE NATURAL HERITAGE AND THE WONDER IT INSPIRES.

Niagara Parks operates as a self-financed entity under the Ontario Ministry of Tourism, Culture and Gaming.

Our primary objective is to protect the natural and cultural heritage along the 56 km Niagara River corridor, which traverses from Lake Erie to Lake Ontario. This includes the protection of distinctive natural features such as the Niagara Glen, Niagara River Gorge and, notably, the iconic Canadian Horseshoe Falls. Since our establishment in 1885, Niagara Parks has diligently worked towards protecting the delicate habitats and at-risk species within the corridor, while also preserving the sense of adventure and awe that render Niagara a global symbol.

Niagara Parks is actively investing its resources, capital, dedication and innovation into the preservation and rehabilitation of the most delicate and cherished land and aquatic habitats within the Niagara River corridor. Additionally, we are committed to safeguarding the native flora and fauna of our distinctive region, while simultaneously combatting invasive species that pose a threat.

We are not alone in these efforts. We collaborate with a diverse array of partners spanning government, research, education, business and our local community to spearhead impactful conservation initiatives. However, our foremost collaborator is you—the businesses operating in Niagara, along with community leaders and stakeholders. The collective residents, visiting enterprises and community influencers are central to the environmental stewardship mission of Niagara Parks. We extend an invitation for you to acquaint yourself with our ecological endeavors and future plans.

The Niagara Parks Commission wishes to acknowledge and honour the lands along the Niagara River corridor as the traditional territory of Indigenous peoples. In both spirit and partnership, we recognize and thank the Six Nations of the Haudenosaunee, the Mississaugas of the Credit First Nation of the Anishinaabek, the Neutral Nation, and all who provided stewardship of these lands over millennia.

At Niagara Parks, we're committed to supporting the many talented growers, producers and craftspeople that make up Ontario's strong food, beverage and agricultural sectors. All six of the full-service restaurants operating under Niagara Parks Culinary are Feast On certified by the Culinary Tourism Alliance. The Feast On accreditation recognizes businesses committed to sourcing and showcasing Ontario foods and alcoholic beverages within their establishments.

NIAGARA PARKS

Attractions & Experiences

Niagara Parks is home to spectacular natural wonders that have captivated the imagination of visitors from around the world for centuries. From Journey Behind the Falls at the very base of the Canadian Horseshoe Falls, to a ride over the vibrant, teal-coloured waters of the Niagara River in the historic Whirlpool Aero Car, and the serene setting of the Butterfly Conservatory, there's no shortage of adventure to discover at Niagara Parks.

TABLE
ROCK
CENTRE

Table Rock Centre

The original Table Rock building was one of the oldest structures taken over by Niagara Parks in 1886. This venue was a starting point for the Scenic Tunnels, now known as Journey Behind the Falls. In 1926, the old Table Rock House was demolished, and a new Table Rock House was built further south next to the Canadian Horseshoe Falls.

Table Rock

CENTRE

Poised at the brink of the iconic Horseshoe Falls, Table Rock Centre offers a spectacular setting that transcends the ordinary, surrounded by the natural grandeur of one of the world's most breathtaking wonders.

With versatile and well-equipped space options, including Table Rock House Restaurant, our Grand Hall and Table Rock Bistro + Wine Bar, we cater to a range of business functions, from intimate events to grand networking receptions. Our locally sourced catering services provide a culinary experience as remarkable as the Falls themselves.

With a commitment to sustainability, accessibility and a touch of Niagara magic, Table Rock Centre will redefine your corporate narrative in a space where every detail is as extraordinary as the natural spectacle it overlooks.

Additionally, culinary bookings are available for your business events, such as Niagara Parks' signature Table Rock House Restaurant. Located on the top floor and featuring spectacular floor-to-ceiling glass windows, enjoy our locally sourced and internationally inspired menu with a breathtaking panoramic view of Niagara Falls as your backdrop.

NEW: Table Rock Bistro + Wine Bar

Enjoy a sip of local excellence paired with a one-of-a-kind view at the all-new Table Rock Bistro + Wine Bar, featuring the closest patio to iconic Niagara Falls.

With over 100 Niagara VQA wines, beers, cider and spirits from local producers to choose from, your patio experience here will be unlike any you've had before.

QUEEN VICTORIA PLACE
RESTAURANT

Queen Victoria Place

RESTAURANT

Originally known as the Refectory when built in 1904, this stately building was modeled after a Swiss chalet with a distinctive copper roof. Steeped in history, the walls of this fascinating building were formed by 12,000-year-old boulder stones salvaged from bed of the rushing Niagara River.

Queen Victoria Place

RESTAURANT

Queenston Heights

RESTAURANT

Queenston Heights is a cherished public park and recreation destination with a legacy spanning generations. The landscape is rich in history and natural beauty, most notably through Sir Isaac Brock's Monument and the Landscape of Nations Memorial - both tributes to the contributions and sacrifices of those during the War of 1812.

At the foot of Brock's Monument sits Queenston Heights Restaurant, which dates back to 1939 and features Queenston limestone walls and a distinctive red tile roof. Accentuated by panoramic vistas of the Niagara River and the picturesque vineyards below, the grounds provide the perfect venue and ambiance for your next business event.

Indulge your senses in a culinary journey like no other as you explore our delectable, themed cuisine options. Complement this delightful dining experience with a selection of diverse Niagara VQA wines that invite you to savour the region's finest offerings.

Legends on the Niagara

GOLF COMPLEX

This golf facility opened the summer of 2001 with two 18-hole championship courses, one 9-hole course, as well as a 360-degree circular driving range. Adjacent to the historic Battle of Chippawa site, this War of 1812-inspired venue is an unprecedented setting with natural and cultural heritage at its very core.

The first of its kind in Canada, this magnificent golf complex features two unrivaled 18-hole championship courses. The complex also features a 9-hole executive short course, a 45-acre, 360° driving range, and the Legends Golf Academy, all less than 15 minutes from the Falls. Designed by renowned architects Douglas Carrick and Thomas McBroom, these Audubon-certified golf courses take full advantage of a supremely natural site.

Legends is ideal for your off-site dining or tournament event with an unparalleled play experience and full service banquet options at the spectacular Legends Clubhouse.

THE
TUNNEL
AT THE NIAGARA PARKS POWER STATION

Niagara Parks Power Station

+ TUNNEL

Embark on a journey of exploration at the Niagara Parks Power Station and Tunnel, a new dream event venue in a century-old building. Elevate your team's experience with the perfect blend of learning and networking as you witness the preservation of the Niagara Parks Power Station and gain an all-new perspective of Niagara Falls.

Niagara Parks Power Station

+ TUNNEL

Step into the past as you immerse yourself in the rich history of the station's Generator Floor, brought to life through captivating exhibits, meticulously restored artifacts, and engaging, interactive narratives. This impressive space, referred to as the Cathedral of Power, can accommodate up to 800 guests.

Then, descend 180 feet via a glass-enclosed elevator that will bring guests down to The Tunnel. Venture through the original 2,200-foot-long tailrace tunnel and step out onto a brand-new viewing platform and enjoy an entirely new vantage point with panoramic views of Niagara Falls.

Power Station at Night:

Experience a different perspective of Niagara's cathedral of power after dark with an all-new nighttime experience.

Offering unprecedented access to the Niagara Parks Power Station + Tunnel, this nighttime adventure will take you deeper into Niagara's story of power with never-before-shared details of the power station's phenomenal history, including newly unveiled multimedia storytelling and flexible screenings of Currents, an epic sound and light show.

In the Tunnel, encounter one of the world's most legendary natural wonders from an observation platform at the edge of the Niagara River - the illuminated Horseshoe Falls await!
